By completing this pre-registration form, you are showing your intention and interest towards a particular class or genre of dance. This process will aid Danceology in organizing and offering classes for the next dance season. Final enrolment and class placement will take place in late August. Dancers are not fully registered until the first tuition of the season has been received. Dancers must have completed all paperwork and first tuition paid BEFORE taking part in any class.

Please indicate (by circling) the type of classes you are interested in attending

Pre-competitive

DANCE ACRO

Pre-competitive six years & older

All dancers MUST take at least one ballet class each week to ensure proper dance training.
