

**SPECIAL PROJECT INFORMATION & RELEASE FORM**

STUDENT'S NAME: \_\_\_\_\_

Our Competitive program allows students to participate in solos, duos and trio/small group routines. Special Projects are *strongly encouraged*, as we have seen the tremendous personal performance and dance growth that the dancers acquire. Because of this growth, Danceology will be offering a reduced choreography fee for each dancer's first Special Project. Each additional Special Project will then have the regular choreography fee. There will be an extra class required for all students involved in the Competition Team as well as additional fees for competition entries, costumes, makeup, team jackets, and choreography.

Complete the table on the following page to indicate what type of routine(s) you are interested in having your child participate in. Review the conditions below before continuing with this form:

- **This is only a "Wish List"** - Other participants may not be available for a duet or group and some dancers may not be ready to perform a solo. Rhonda McCulloch Danceology will try to accommodate your requests in every way but we cannot guarantee every routine. We will place each child where we know they will shine.
- **Commitment** - By choosing what types of routines you would like your child to participate in, you are also committing to that number of routines. For instance, do not suggest your child be placed in eight routines if you only desire to have them compete in five routines. This highly complicates the placement process
- **Finances** - Competition is a huge commitment made by our dancers and families. All families involved in the program must understand the financial commitment they are agreeing to, so do not over commit. There are many fees associated with the competitive program - some of these fees are not known by Rhonda McCulloch Danceology at the start of the season as they are set by the competitions, by costume companies, etc.

**CHOREOGRAPHY FEES**

- Solos: First: \$275.00 (plus GST)                      Regular: \$285.00 (plus GST)
- Duets: First \$175.00 (plus GST)                      Regular: \$200.00 (plus GST)
- Redoing of last Year's choreography              \$30.00 per ½ hour rehearsal includes music and costume

All fees are charged per person and include choreography, use of facility and preparation of the routine as well as the rental of any costume at Danceology. GREAT alterations will cost more, and of course you can purchase your own with your choreographer's OK.

Choreography Fees do not include Entry Fees. All fees are non refundable for any reason whatsoever. This includes but is not limited to choreography fees, competition entry fees, costume deposits, etc.

To get an idea of the financial commitment:

- A dancer who competes in one solo pays \$285 for choreography fees, \$250 for entry fees, up to \$300 for a costume, and miscellaneous expenses incurred for traveling to and from competitions.
- A new dancer to the team will also have to pay up to but not limited to \$130 for a Team Wear Performance makeup, and \$75 for accessories (e.g. Studio Hair piece and False eyelashes).
