Makeup removal – please ensure that you use proper makeup removing products such as wipes, liquid makeup removers or makeup cleansers. It is important to be as gentle as possible on our children's skin. I recommend Neutrogena All-in-One Make-Up Removing Cleansing Wipes, Younique* Cleansing Cloths, Liquid Makeup Remover from Younique* or a gentle facial cleanser.

Your dancer will be required to wear the Sephora Cream Lip Stain for on stage performances. This will ensure that all dancers have the same lip shade, please use the order sheet or see Miss Krista to place an order. Orders will need to be placed no later than February 21.
